Re:    United States v. Byron Oliver  
Criminal Docket No. 17-125 (LDH)

Dear Judge DeArcy Hall:

On July 26, 2017, defendant Byron Oliver's counsel filed a Motion for a Bill of Particulars requesting that the government "specify each and every substance, by its chemical name and its popular name (if any), referred to in Count One of the Indictment that is 'a substance containing a detectable amount of anabolic steroids, a Schedule III controlled substance . . . .' The government writes with defense counsel's consent to inform the Court that the parties have agreed that the government will provide defense counsel with a list responsive to the defendant's request by September 5, 2017. The government reserves the right to amend or supplement the list as necessary.

Respectfully submitted,

BRIDGET M. ROHDE  
Acting United States Attorney
